Corporate Profile

INTERNATIONAL AFFILIATION

AmSpec Middle East FZE

Sawant & Co. Private Limited are honored to announce affiliation through service agreement with AmSpec Middle East FZE for Testing, Inspection and Calibration services in Pakistan and Afghanistan.

Testing, Inspection and Certification Services

For over Thirty years, AmSpec Services, LLC has independently and accurately analyzed and measured petroleum and petrochemical products throughout the US, Caribbean, Latin America and around the world.

AmSpec Services, LLC is dedicated to providing quality service exceeding our clients' expectations. The Company and employees strive for the highest degree of quality performance, which is achieved through clear and well-documented systems, proper training, the qualifications and experience of employees, and through continuous improvements of all overall operations.

The Company is proud to announce that AmSpec Services, LLC is certified to the ISO 9001 Standard under the scope of the "Provision of Petrochemical and Petroleum Laboratory and Inspection Services."

AmSpec Services, LLC is a member and active participant in the International Federation of Inspection Agencies (IFIA), the Grain and Trade Feed Association (GAFTA), approved as Public Gaugers by US Customs and Border Protection, Department of Homeland Security and are members of A.S.T.M and A.P.I.

Membership and participation in these industry organizations requires the Company to review, improve, and maintain the quality and efficiency of all operational and standardization protocols. The Company's surveying staff is required to complete certain certification programs for meeting standards of excellence.
